Hi Garrett,

As of right now this is what I have scheduled for next week (I'm not sure which ones are definitely going yet or not):

10/18
CW v. [REDACTED] Chelsea Dist
CW v. [REDACTED] - Suffolk Sup

10/19
CW v. [REDACTED] Lowell Dist
CW v. [REDACTED] Lynn Dist
CW v. [REDACTED] Lowell Sup

10/21
CW v. [REDACTED] Quincy Dist

Honestly I have no idea of what Annie's schedule is like next week...her desk is a little intimidating right now with the overflow of paper!!

Kate & Annie -

The court is trying to pull this case in for trial next week. Can you let me know what your availability is? Kate - I think that Annie is out right now so if you can give me an idea, that would be great.

Thanks,
Garrett
